

SUBJECT: ADMINISTRATIVE STAFF

Building Principals (Elementary, Middle and Secondary)

The building principals are the educational executives of the school centers. They have the responsibility for executing Board of Education policies in the schools. They are directly responsible to the Superintendent.

Director of Special Programs

The Director of Special Programs shall oversee all federal and state grants, the District Reading Program, and is Chairperson of the Committee on Special Education and Preschool Special Education. He/she shall report directly to the Superintendent.

The Assistant Superintendent for Business shall be responsible for all phases of the District's business activity, as set forth in Section 5000 of the Policy Manual, and shall report directly to the Superintendent.
